

# The Second New<sup>3</sup> Math Conference

Coming Together for Learning, Teaching and Students

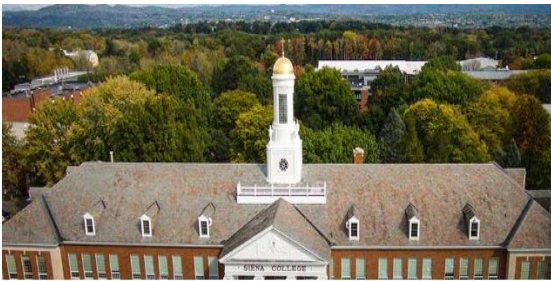

A Joint Conference of the Associations of Mathematics Teachers  
Of

New York - AMTNYS

New Jersey - AMTNJ

New England - ATMNE

HOSTED BY

**SAVE the DATES --July 9 – 12, 2017 at Siena College (near Albany, NY)**

## Conference Program

- Exciting program featuring outstanding mathematics educators from the northeast
- Narrow Grade Band Workshops.  
At each presentation time there will be a Pre-K – K workshop,  
grade 1-2 workshop,  
grade 3-4 workshop,  
grade 5-6 workshop, and  
grade 7-8 and HS workshops. These will be in-depth multi-part strands.

## Sample Comments from 1<sup>st</sup> New<sup>3</sup>

*The presenters were incredible.*

*Fantastic speakers, well organized in grade level bands, great opportunities for networking.*

*This was my first math conference but I loved it. The presenters were excellent. ... I raved about it to my principal and superintendent.*

*Definitely want to bring a team of teachers back next year in 2017*

*This conference was FABULOUS. I made connections that I never thought possible and I learned a LOT*

*The conference was very well organized. The sessions were informative. It was one of the best conferences I have ever attended!*

## Other Conference Features

- Affordable -approximately \$250 for commuters, \$500 for residents. Other conferences have registration fees of \$350, \$500, or more!
- No sub plans needed
- STEM Camp for participants' children grades 1 to 8 run by experienced educators. Only \$150 per child (includes lunches).
- Community Atmosphere
- Social events may include a Lake George cruise, ball game, ...

The New<sup>3</sup> Math Associations will be posting more info about this conference on their websites and sending e-blasts. If you would like to be on a conference distribution list for the latest updates or have questions, please e-mail conference coordinator, Jim Matthews at [matthews@siena.edu](mailto:matthews@siena.edu) Please use "New Cubed - 2017" in the subject line of your e-mail.
