

## Participating in ATMIM's Online Book Discussion

### SETUP – Complete Prior to Participation:

This section will describe how you can setup the forum to automatically send you emails regarding posts in the discussion.

- 1) Go to [www.atmim.net](http://www.atmim.net)
- 2) Click “Login” at the top of the webpage.

- 3) Your Username is your email address that receives ATMIM correspondence. Only you know your password. If you have misplaced it / can't remember then use the “Forgot Password” option to reset your password.

A screenshot of the ATMIM login page. The page has a heading 'Please log in to continue' and a sub-heading 'Please login to continue to the page you have requested.' On the left, there are two social login buttons: 'Log in with Facebook' and 'Log in with Google+'. On the right, there is a login form with fields for 'Email' and 'Password'. Below the password field is a checkbox for 'Remember me'. At the bottom of the form, there is a 'Login' button and a link for 'Forgot password'.

- 4) Click the link for the “Online Book Group” on the top menu.

5) Click the “Subscribe to Forum” link. This will enable you to receive email messages when a new item is posted in the forum.

The screenshot shows a forum interface. At the top left is a button labeled "Create topic". At the top right is a link labeled "Subscribe to forum". Below these is a table with three columns: "Topic", "Last message", and "Replies". The table contains two rows of data.

The subscription will send ONE EMAIL per day with updates to the discussion forum. If this becomes too cumbersome, let us know! We can change the notification to ONE PER WEEK instead.
