### ATMIM Spring Conference

#### Using Technology to Enhance Mathematics Instruction

Thursday March 22, 2018 8:30 AM - 3:30 PM  
Worcester State University  
Worcester, MA

ATMIM is pleased to invite you to this year's spring conference that will focus on technology in the mathematics classroom. Come learn new ways to utilize technology in your classroom that enrich your lessons. Workshops for elementary, middle, and high school will be offered.

**CALL FOR PROPOSALS:** Do you use technology in your mathematics classroom? ATMIM is now accepting proposals for presentations at our spring conference. Please consider sharing your ideas on technology and submitting a proposal at our website address listed below.
